

ISSUING GUIDELINES

ALTA Endorsement: 23-06 (Co-Insurance – Single Policy)

Explanation:

This endorsement is issued by a co-insurer if a lead co-insurer (the "Issuing Co-Insurer") prepares and issues a policy. The other co-insurers then issue the Co-Insurance Endorsement, which is attached to the policy of Issuing Co-Insurer and which incorporates the terms of the policy of the Issuing Co-Insurer. The co-insurers do not prepare or issue separate policies. The Endorsement sets forth the names and addresses of the co-insurers, the policy number assigned by each co-insurer (and the file number also may be shown), applicable amount of insurance assumed by the co-insurer and proportion of liability assumed by the co-insurer.

Underwriting Requirements:

You must secure approval of underwriting to issue this endorsement.

You must also secure an assigned policy number for issuance of this endorsement and must report it with other policies.

Issuing guideline applies to the following Endorsement(s):
