APPLICATION OF SCHEDULE OF RATES

Definitions

The fees and rates hereinafter set forth are the all-inclusive charges of Dakota Homestead Title Insurance Company, (hereinafter collectively "Company") for the issuance of Commitments for title insurance, title insurance policies and endorsements on its own behalf, or by its duly authorized Policy Issuing Agents in the State of Wyoming. Charges for additional services, including, but not limited to, escrow and closing services, may be assessed by the Company or its authorized Policy Issuing Agents, but such charges are not a part of the fee for title insurance. All charges for title insurance will be computed in accordance with the rules and rates shown herein at such date as this manual, or any revision thereof, become effective.

Special Risks, Additional or Affirmative Coverages

The Basic Rates set forth in this Manual, or any revisions thereof, are minimum charges. Additional charges will be made when unusual conditions of title are encountered, when special risks are insured against, or when special services are rendered. Any additional coverages provided by an endorsement to the policy shall bear the fees set forth in Endorsements and Charges Section of this Manual.

Upon request, the Company, or its duly authorized Policy Issuing Agent, may in its discretion insure over certain defects or give affirmative coverage not provided for herein at no additional charge. However, if such insurance or additional coverage is provided by an endorsement to a policy, then a charge shall be made pursuant to the fee filed for that endorsement, or by a separate filing that is approved in advance by the Wyoming Department of Insurance.

OWNER'S POLICIES

Owner's Policies

An Owner's Policy insuring a fee estate or a vendee's interest under a land contract will not be issued for less than the sale price of the property and in no event for less than the full value of the real property. Owner's Policies issued to insure lesser estates or interests, except as otherwise noted herein, must be issued for not less than the full consideration paid for said interest. The charge for issuance of a standard coverage Owner's Policy shall be the Basic Rate.

Leasehold Owner's Policies

Owner's Policies insuring a leasehold estate shall not be issued for less than the aggregate of the rentals payable under the primary term of the lease or the fair market value of the leasehold estate, whichever is less. The charge for issuance of a Leasehold Owner's Policy shall be the Basic Rate.

Extended Coverage (Special Risks)

Charges for deletion of pre-printed exceptions in final policies insuring other than one-to-four family residential property, as shown on Schedule B-Section 2 of Commitments for Title Insurance for such policies, may be made at a rate commensurate with the risk assumed as determined by the Company in its discretion. The applicant/proposed insured shall comply with all the requirements of the Company in order to remove all such pre-printed exceptions shown in Schedule B-Section 2 of Commitments for Title Insurance. Any additional charge for such special risks shall not exceed 25% of the Basic Rate for each standard exception removed from the Owner's Policy, together with all charges for specific endorsements as they may apply.

LOAN POLICIES

Loan Policies

Loan policies shall be issued for the full loan amount except when the land covered in the policy represents only a part of the security for the loan and the balance of the security is personal property, in which case the policy shall be written in the amount of the loan applicable to such land, and the lender shall, if requested by the Company, furnish a statement as to such values. A policy can be issued, however, for an amount up to 125% of the principal debt to cover interest and other costs incident to a foreclosure. The charge for issuance of a standard coverage Loan Policy shall be the Basic Rate.

In the event a loan is secured by two or more non-contiguous parcels of real estate, a Loan Policy may be issued on one or more of such parcels provided that the policy is not issued for less than the amount of the security allocated to such parcel or parcels.

Extended Coverage (Special Risks)

Charges for deletion of pre-printed exceptions in final policies, insuring other than one-to-four family residential property, as shown in Schedule B-Section 2 of Commitments for Title Insurance for such policies, may be made at a rate commensurate with the risk assumed as determined by the Company in its discretion. The applicant/proposed insured shall comply with all the requirements of the Company in order to remove all such preprinted exceptions shown in Schedule B-Section 2 of the Commitment for Title Insurance. Any additional charge for such special risks shall not exceed 25% of the Basic Rate for each standard exception removed from the Loan Policy, together with all charges for specific endorsements as they may apply.

Substitution Rate ("Bridge") Loans

A substitution rate credit will apply in a situation where a proposed insured buyer purchases a new home before completing the sale of a current home and executes a new mortgage or deed of trust secured by one or both of the properties. In effect, this "bridge" loan refinances the existing loan on the current home and provides additional funding for the purchase of the new home. When the sale of the current home is completed this type of loan is refinanced to the lower amount of the value of the new home and is secured by a new mortgage or deed of trust.

The total premium paid for the issuance of a policy secured by the first mortgage or deed of trust, less one hundred twenty five dollars (\$125.00), shall be credited toward any premium due the Company for a subsequently issued Loan Policy insuring the priority of a loan secured solely by the newly purchased property. The credit is limited to 100% of the basic rate applied to the liability amount of the now loan, is available one time only, and expires one (1) year after the effective date of the first, or "bridge" Loan Policy.

Other title insurance policies may be issued simultaneously with the issuance of either policy, consistent with the simultaneously issued policy rates contained herein.

SIMULTANEOUS ISSUANCE

Simultaneous Issuance of Owner's and Loan Policies

When an Owner's Policy and a standard coverage Loan Policy or an extended coverage Loan Policy, insuring identical land, are issued simultaneously the rate shall be calculated at one hundred percent (100%) of the basic rate for the policy with the highest liability amount, plus seventy-five dollars (\$75.00) for the policy with the lesser liability.

If two or more Loan Policies are issued simultaneously with one Owner's Policy and the total liability of all Loan Policies exceeds the liability of the Owner's policy, then the charge shall be calculated at one hundred percent (100%) of the basic rate of the aggregate liability for all Loan Policies plus seventy-five dollars (\$75.00) for each Policy issued simultaneously.

In order for this rate to apply, all policies issued must have the same effective date and the Owner's Policy must contain an exception(s) for the mortgage(s) or deed(s) of trust insured by the simultaneously issued Loan Policy (ies).

In order for this rate to apply to a Simultaneously issued extended coverage Loan Policy, or policies, the applicant/insured shall comply with all the requirements of the Company in order to remove the pre-printed exceptions shown in Schedule B-Section 2 of the Commitment for Title Insurance from the Loan Policy, or policies, shall pay any additional charges as may apply, and shall further pay any additional charges for specific endorsements as they may apply.

Simultaneous Issuance of Owner's and Leasehold Policies

When an Owner's Policy insuring a fee simple estate is issued simultaneously with an Owner's Policy insuring a leasehold estate covering identical land, the charge shall be calculated at one hundred percent (100%) of the basic rate for the policy with the highest liability amount. The charge for the other policy shall be calculated at thirty percent (30%) of the basic rate based upon the face amount of the policy with the lesser liability, with a minimum charge of one hundred twenty-five dollars (\$125.00.)

In order for this rate to apply to a simultaneously issued extended coverage Owner's Policy the applicant/insured shall comply with all the requirements of the Company in order to remove the pre-printed exceptions shown in Schedule B-Section 2 of the Commitment for Title Insurance from the Owner's Policy, shall pay any additional charges as may apply, and shall further pay any additional charges for specific endorsements as they may apply.

When an Owner's Policy is issued insuring a fee simple estate in land only and an Owner's Policy is issued insuring a leasehold estate in the land and fee simple title in the improvements (where the ownership of the improvements is separated from ownership of the land) the charge shall be calculated at one hundred percent (100%) of the basic rate based on the total liability of the two policies added together.

Simultaneous Issuance of Owner's Policies

When Owner's Policies covering identical lands and identical estates are issued simultaneously to the seller and purchaser, a charge shall be calculated at one hundred percent (100%) of the basic rate for the policy with the highest liability amount and the charge for the second policy shall be thirty percent (30%) of the basic rate based upon the liability amount of that policy, with a minimum charge of one hundred twenty-five dollars (\$125.00.)

In order for this rate to apply to a simultaneously issued extended coverage Owner's Policy, the applicant/insured shall comply with all the requirements of the Company in order to remove the pre-printed exceptions shown in Schedule B-Section 2 of the Commitment for Title Insurance from the Owner's Policy, shall pay any additional charges as may apply, and shall further pay any additional charges for specific endorsements as they may apply.

Charges

A Commitment for Title Insurance may be issued to show the status of title and items affecting the title that must be satisfied before a policy can be issued. It is a binding obligation of the Company to issue its policy of title insurance when the requirements of the Commitment have been satisfied and the policy rate and fees have been paid. No liability attaches until the policy rate and fees have been paid.

If the applicant cancels or no documents have been recorded and no actions taken by the expiration date of the Commitment, a maximum fee of one hundred twenty-five dollars (\$125.00) may be charged. The entire charge may be canceled if it is apparent that, through error, the customer has entered duplicate orders either with the same or competing companies, or if the order is canceled prior to commencement of search or if the order is canceled because contingencies in the purchase agreement were not met through no fault of the party placing the order:

The minimum premium for a refinance transaction utilizing this rate shall be one hundred twenty-five dollars (\$125.00.)

A copy of the recorded plat must be in each title insurance master file of the subdivision, on which the subdivision rate is utilized. Policies with an issue date more than five (5) years following the recording date of the approved final plat will not be eligible for this subdivision rate.

The subdivision rate shall only be applicable to: 1) policies issued insuring unimproved (not built upon) lots, 2) policies issued during initial construction, 3) policies issued covering the initial sale of an improved (built upon) lot where the improvements have never been occupied, except under an early occupancy agreement, 4) the initial policies issued to a builder or developer covering financing on the initial improvements, and 5) policies issued covering permanent financing for the owner of an unimproved lot upon completion of the initial improvements on said lot.
